

It's Christmastime by Yancy
(All kids)

Happy, happy, merry Christmas
Happy, happy, merry Christmas
To you, To you

When the snow falls down
And it's cold outside
I hear jingle bells
When the stars go by
I eat cookies and milk
And candy canes
As presents wait
Under the tree

It's Christmastime
Fa la la la
It's Christmastime
Fal la la la
Jesus was born to us
The Savior of the world
It's Christmastime
Fa la la la
It's Christmastime
Fal la la la
Jesus was born to us
It's Christmastime

Happy, happy, merry Christmas
Happy, happy, merry Christmas
To you, To you

Mary and Joseph
Had a baby
And wise men came from far to see
The shepherds heard the
angels singing
Glory to God for the newborn King

It's Christmastime
Fa la la la
It's Christmastime
Fal la la la

Jesus was born to us
The Savior of the world
It's Christmastime
Fa la la la
It's Christmastime
Fal la la la
Jesus was born to us
It's Christmastime

Happy, happy, merry Christmas
Happy, happy, merry Christmas
To you, To you
Happy, happy, merry Christmas
Happy, happy, merry Christmas
To you
To you and you and you
