

How Could It Be A Silent Night by God's Kids Worship Band

Shout, Shout, go tell it on the mountain
Praise, Praise, let no one stop your shouting
Run, run, let your feet take flight
With such good news, it can't be a silent night

How could it be a silent night
when angels shared the holy birth
and shepherds ran to see the sight
Of God's own Son who came to earth
How could it be that all was calm
A baby on a bed of straw
The Savior from the prophet's psalm
A Savior born, creation's awe

Shout, Shout, go tell it on the mountain
Praise, Praise, let no one stop your shouting
Run, run, let your feet take flight
With such good news, it can't be a silent night

If they knew what it was about
they would have made room in that Inn
Yet men today still shut Him out
When he has paid the price for sin
How can we not know there's a plan
How can we not rejoice today
The Son of God became a man
He is the life, the truth, the way

Shout, Shout, go tell it on the mountain
Praise, Praise, let no one stop your shouting
Run, run, let your feet take flight
With such good news, it can't be a silent night

How could it be a silent night
when angels shared the holy birth
and shepherds ran to see the sight
Of God's own Son who came to earth
How could it be that all was calm
A baby on a bed of straw
The Savior from the prophet's psalm
A Savior born, creation's awe

Shout, Shout, go tell it on the mountain
Praise, Praise, let no one stop your shouting
Run, run, let your feet take flight
With such good news, it can't be a silent night
