

## Corona Week 1 Handout

Challenge: Text your leaders one photo that sums up your entire day.

Share what you miss the most during this time?

What is most frustrating to you about the coronavirus? What new opportunities are you most excited for?

What does it look like to rejoice in Jesus always during this time?

How can you let your gentleness/reasonableness show?

What does Paul tell us to do instead of being anxious (Phil. 4:6)?

Have you ever experienced God's peace during hard times? Share with those around you what it was like.

What are the fears, thanks, and requests you need to talk to God about?

Who are two people you're going to connect with this week?

Name one person you need to reach out to who might be struggling?  
(Now go do it!!!)
